* These complexes have units with a different kind of subsidy than HUD Project Based Vouchers (PBV) with rent amounts that may be higher than HUD Subsidized units.

** These "affordable" housing units do not have rents based on a percentage of income, but do have rents with income qualifications that are below market rates.

*** These cooperatives are not rental housing and require membership fees. Limited numbers have a subsidy that varies in availability. Call for more information.

IMPORTANT FACTS ABOUT SUBSIDIZED AND AFFORDABLE HOUSING

HOUSING CHOICE VOUCHER (HCV) PROGRAM:

Kalamazoo County issues limited numbers of Housing Choice Vouchers to eligible individuals and families. Having a Housing Choice Voucher allows a renter to select a unit of his/her choice provided that unit meets HCV requirements and inspection standards. A qualified renter will pay no more than 40% of his/her income for rent. Housing Choice Vouchers can be transferred to another unit as long as all guidelines have been met (this is different than HUD Subsidized or Project Based Vouchers...see below). Opportunities to apply for Housing Choice Vouchers arise only when the current waiting list has been depleted.

NOTE: The HCV waiting list for Kalamazoo County last opened for a short time in May 2006. The list is currently closed.

HUD SUBSIDIZED APARTMENTS:

Some types of rental assistance are "attached" to specific units. These Subsidized units and Project Based Vouchers (PBV) are different than having a Housing choice Vouchers (HCV) (see above). If you move out of a HUD Subsidized unit, you cannot transfer the rental assistance with you to your new home. A qualified renter pays 30% to 40% of his or her income for rent. It is necessary to apply to each individual complex for consideration. The more complexes and programs you apply to, the better chance you have of obtaining a subsidized housing unit.

Many subsidized apartment complexes have waiting lists that can range from 6 months to 3 years or more. It is never too soon to get on a waiting list. If you are able, plan to apply for housing at least 6 months before you plan to relocate. If you have become homeless due to condemnation, termination of tenancy, or another reason for which you were not the cause, you may be eligible to be placed on a priority waiting list if you can provide the proper documentation. Apply to as many apartment complexes as possible. After you have turned in an application, check to see if it was received and ask if you have been placed on a waiting list. If you have been placed on a waiting list, it is suggested that you call every 2 or 3 months to see where you are on the list. If you move, change phone numbers, or change family size, call every complex where you have applied and update your information.
