

Stable Homes. Thriving Families. Successful Students.

CASE MANAGEMENT

To provide support with housing, education, and financial stability. This also provides connections to community resources.

FAMILY SUCCESS PLAN

A tool to determine the unique needs of each family that enters our program. This is used to set the goals needed for stabilization.

SCHOOL SUPPORT

Parents have access to adult education such as: GED classes or technical training. Caseworkers act as an additional advocate for the children in school.

AM I ELIGIBLE?

- ✓ The household contains children of any age.
- ✓ Residence in Kalamazoo County or children attend a Kalamazoo County School.
- ✓ Struggling to maintain housing.
- ✓ Having difficulty with financial obligation.
- ✓ Have earned income through employment, and/or the ability to obtain income through employment.

Children living in stable homes led by thriving families benefit from more opportunities for success. Our partners also offer access to academic supports, healthcare, mentoring, and many other services that meet the needs of low income students.
